Specification

Apron. ANGUS is a premium unisex apron designed for professional and everyday use in kitchens, restaurants and hospitality environments where durability and appearance are equally important. It is made from strong canvas fabric (80% cotton, 15% viscose, 5% polyester) with a heavy weight of 410 g/m2, ensuring excellent comfort, resistance and long-lasting performance during intensive work. The apron stands out with its unique design and carefully finished details, including metal buckles that enhance strength and stability. Thanks to the high-quality surface, ANGUS is suitable for branding and customization using various printing techniques, making it an ideal choice for professional teams and premium brand presentation. Key features: Unisex apron • Size 60 × 79 cm • Heavy-duty canvas weave • Fabric weight 410 g/m2 • Material: 80% cotton / 15% viscose / 5% polyester • Metal buckles and details • Durable and comfortable • Ideal for hospitality and kitchen use • Suitable for printing and customization.
