Specification

Vacuum-insulated, double-walled thermal carafe. The inside of the jar is BPA-free stainless steel (not taste-altering) and the outside is encased in a durable plastic shell with a handle. It stays cool to the touch with hot liquids and non-condensing with cold liquids. The lid is spill-proof (rotates to open) and also has a spout for pouring liquid safely. The Chambord pitcher is the perfect element for both family gatherings and business meetings. It has a capacity of up to 1 L. 175 x 240 x 125 mmNote: The goods are subject to a sanitary inspection, which is charged additionally
