Specification

Versatile 2-in-1 backpack, contains two parts: backpack + cooler. Defined by its functionality and ease of transport thanks to the two parts with different functions in a single product. Ideal for everyday use to carry your meal together with your work objects. Besides this, the two parts can be used separately, which makes it even more versatile. The backpack is mostly composed of 1680D polyester and nylon, a tough and durable material. The contrasting imitation leather details, two textures and two colours, break up the robustness of the main material, giving it a subtle, city look. Dual interior design, with two padded interior pockets for 14" laptop and 10'5" tablet, and organiser strip for cables and pens. The cooler has PEVA interior and waterproof zipper to maintain the temperature. The anti-theft pocket on the back and the front pocket with hidden zipper make it perfect for walking around town. Also includes a trolley strap for easy travelling. Supplied in non-woven bag.
