Specification

Organic combed cotton t-shirt, 160 g/m². The ORGANIC T T-shirt is a unisex model made from 100% organic combed cotton, designed for everyday wear as well as promotional and corporate use. With a fabric weight of 160 g/m², it offers a soft feel and is one of the higher-quality T-shirts in the range. The T-shirt is side-seamed for improved shape stability. Double stitching at the rib collar, sleeves, and hem enhances durability, while additional shoulder stitching and a reinforced neckline tape help maintain shape during wear and washing. A wide range of modern colors, including pastel and fresh tones, follows current fashion trends and allows easy selection for various styles and occasions. The main label is tear-off, enabling easy customization and branding.
