Description

Women’s hooded sweatshirt, 380 g/m2. The CAMERON LADY hooded sweatshirt is a women’s model made from a polyester, nylon, and elastane blend (71%, 24%, 5%), with a fabric weight of 380 g/m². The scuba fabric provides structure, a modern appearance, and comfortable wear, making it suitable for promotions, branding, and everyday use. The hoodie features two front pockets, elastic rib cuffs and hem, and a hood with an adjustable drawstring. Heat-seal tape around the pockets and reinforced neck tape under the hood enhance durability and shape retention. The garment is equipped with reliable SAB zippers for long-term use. A men’s version of the model is also available.
