Description

The MOTION BAG is a practical and stylish 600D cationic polyester travel bag with split leather with PU. Its spacious main compartment is ideal for storing clothes and other utilities needed for short trips. It also has four inside pockets and a front pocket with an asymmetrical design flap, which characterizes this line and gives it a modern look. The practicality of this bag is matched by a detailed and careful design that leads to details such as the space to put the name tag, the metallic feet that protect the bag when set down, the design of the zipper that allows it to be closed with a lock (not included) and the straps designed to be adjustable and comfortable. MOTION BAG is supplied in a non-woven bag. MOTION BAG: 500 x 300 x 250 mm | Bag: 700 x 450 x 75 mm
