Description

Cylindrical sports bag suitable for carrying the essentials for your workouts and activities. Made from high-density 600D recycled polyester with a water-resistant coating and 210D recycled polyester lining. It has a spacious main compartment for your equipment, a side compartment for shoes or trainers and a front pocket. Reinforced, padded handles and a removable webbing shoulder strap with padding make carrying this bag more comfortable. The back incorporates a trolley strap. The rucksack's waterproof zips guarantee greater protection. Capacity up to 32 L. Ø280 x 490 mm
