Description

Women's softshell jacket with heating system. Women's softshell jacket made of flexible fabric, slightly fitted, equipped with built-in heating elements – two on the front and one on the back – offering three heating levels. The lining combines brushed fleece with a thermal-reflective panel in the central area. The hood and hem feature adjustable elastic drawcords. Sleeves come with hook-and-loop (Velcro) adjustment at the cuffs and thumb openings. Two front zip pockets, one chest pocket, and one sleeve pocket. The YKK waterproof zipper provides additional protection against moisture..
