Description

Women's polar fleece jacket/sweatshirt, 280 g/m2. The POLARIS LADY brushed fleece jacket is a women's full-zip model with a high collar, designed as a functional thermal layer with a female-specific fit. The slightly shaped construction provides improved fit while maintaining comfort and freedom of movement, making it suitable for workwear and outdoor use. Made from 100% polyester fleece with a fabric weight of 280 g/m², the material offers effective thermal insulation with low weight. It is soft, comfortable for extended wear, and stable during frequent washing, while remaining easy to care for and quick-drying. The jacket features a high collar with reinforced neck tape, two front zip pockets, elastic rib cuffs, and adjustable elastic drawcords at the hem for improved heat retention and fit adjustment. It can be worn as a standalone layer or as a mid-layer under a jacket or vest. The model is suitable for work uniforms, logistics, service and technical roles, as well as outdoor activities in moderate to cold conditions. A men's version is also available. Key features: Women's full-zip fleece jacket • Composition: 100% polyester • Fabric weight: 280 g/m² • Brushed fleece • Thermal insulation • Lightweight and soft • Quick-drying • Easy care • Slightly shaped fit • High collar • Reinforced neck tape • Two front zip pockets • Elastic cuffs • Adjustable hem drawcord • Suitable for workwear and outdoor use • Available in men's version.
