Description

Portable speaker made from recycled ABS (100% rABS), waterproof to IPX7, making it the ideal solution for outdoor use. With BT v5'0 wireless transmission, it has a micro SD card reader, USB-A input and 3'5mm auxiliary input. With 10W of sound power and a battery capacity of 1.200 mAh, it has an autonomy of approximately 9 hours. Thanks to the built-in microphone, you can answer calls and control the volume and playlist of your mobile device. The grille can be fully customised. Includes a USB-C charging cable. Supplied in a kraft paper gift box. If no personalisation is chosen, the grille will be supplied loose inside the gift box. Once attached to the speaker, the grille cannot be removed again. 170 x 75 x 50 mm
